29th April 2026

Dear Jackie,

Re: Hooe Parish Council
Internal Audit Report for Financial Year Ended 31 March 2026

Executive summary

Following completion of our final internal audit on 29th April 2026, we are pleased to enclose our report for your review and presentation to the council. The audit was conducted in accordance with current professional standards and guidelines, employing a risk-based approach to our testing. While not all transaction were examined, our sample testing, where appropriate, covered the financial year to date.

Some assertions, as noted in this report, were tested at the interim internal audit completed during the financial year and the council should review all internal audit reports for the year before completing the Annual Governance Statement.

The structure of this report aligns with the assertions set out in the Annual Internal Auditor Report section of the published Annual Governance and Accountability Return (AGAR). Each section begins with a summary of the assertion being assessed, followed by details of the testing undertaken, which was guided by the audit plan previously shared with the council. A copy of the audit plan is available upon request. The report concludes with our opinion on whether each assertion has been met as of the date of the audit. **Any recommendations for action are highlighted in bold and summarised in the table at the end of the report.**

Our testing did not identify any procedural errors requiring reporting to the external auditor at this time, nor did we observe any material weaknesses in internal controls that would pose a risk to public funds. In fact, the processes and procures together with own built in compensating controls are robust, strictly followed and in many respects a model of good practice.

We are pleased to report that overall, the systems and procedures currently in place are appropriate and effective. While this report may include recommendations for improvement, these should not be viewed as indicators of significant deficiencies. Rather, they are intended to support the continued development of what is, in our view, a well-managed and robust governance framework.

I have completed the Annual Internal Audit Report page of the AGAR and provided this to the council for onward submission to the External Auditor.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

The primary purpose of internal audit is to assess and report to the authority on the effectiveness of its financial systems and other internal controls, including the operational procedures that support its activities.

The internal audit function involves testing and evaluating whether the authority’s internal control framework is both adequate and functioning effectively. Internal audit reports should be made available to all Members, providing a basis for informed decision making when considering the authority’s approval of the Annual Governance Statement.

Independence and competence

Your audit was conducted by Jenny Hoodless of Mulberry Local Authority Services Ltd, who has over 9 years’ experience in the financial sector specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter and inherent risk assessment

An engagement letter was previously issued to the council covering the 2025/26 internal audit assignment, which includes the scope and plan of works and fee structure. Copies of this document are available on request from anna@mulberrylas.co.uk

In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement within the council’s financial systems is low. The internal control environment is considered reliable, and as such, substantive testing of individual transactions is not deemed necessary at this stage.

Audit testing will therefore consist of walk-through testing on a selection of sample data, covering the period under review within the current council year. This approach is designed to confirm that key controls are operating effectively throughout the financial period.

Internal Audit – Summary of recommendations	16

INTRODUCTION

The audit was conducted on remotely with the Locum Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and overall, I have the impression that accounting records are neatly maintained and easily accessible.

Other information was reviewed through discussion with the Clerk and a review of the council website www.hooe-pc.gov.uk

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been kept properly during the year.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

I am satisfied this control objective has been met.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Financial Regulations have been updated and will be approved by Council, at the meeting in May 2026.

CONCLUSION

I am satisfied this control objective has been met.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

CONCLUSION

I am satisfied this control objective has been met.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

Budget

The Clerk/RFO produces regular detailed budget reports from the accounting software. The year-end budget report shows receipts reported as 97.2% of budget and payments at 60.2%. There is no evidence to suggest that the budget has not been accurately set and carefully monitored throughout the year.

There is evidence within the minutes of meetings that councillors regularly receive budget reports for review, providing them with sufficient financial information to make informed decisions.

Precept

The council set a precept of £45,714 for 2025/26. With a tax base of 210.7, this equates to a band D equivalent of £216.96 (compared to the average in England of £92.92). I was able to confirm that the precept amount recorded in the accounts is correct, and equals the amount recorded in box 2 of the Accounting Statements.

The Clerk confirmed that the 2026/27 budget and precept were approved by the council at the meeting held on 12th January 2026 (minute ref 10v).

Reserves

The Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's guide provides updated guidance on the appropriate level of general reserves that councils should retain as below:

5.33 The general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances.

5.34 The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure.

5.35 The reason for the wide range is to cater for the large variation in activity level between individual authorities. The smaller the authority, the closer the figure may be to 12 months expenditure, the larger the authority, the nearer to 3 months. In practice, any authority with income and expenditure in excess of £200,000 should plan towards 3 months equivalent general reserve.

5.36 In all of this it is important that each authority adopt, as a general reserve policy, the level appropriate to their size, situation, risks and plan their budget so as to ensure that the adopted level is maintained. Consideration of the minimum level of reserves requires not only consideration of level of income and expenditure but also the risks to that income.

5.37 Authorities with significant self-generated income (other than the precept or levy) should take into account situations that may lead to a loss in revenue as well as increased costs and adapt their general reserve accordingly.

At the year-end, the council held circa £90,585.58 in reserves, split between categories as below:

- Capital EMR £47,049.12
- Earmarked EMR £62,987.03
- General Reserves £27,598.55

I checked the purpose of these earmarked reserves with the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The general reserve balance is which is within the recommended range as detailed in the Practitioner's Guide.

CONCLUSION

I am satisfied this control objective has been met.

E. INCOME**Internal audit requirement**

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

I am satisfied this control objective has been met.

F. PETTY CASH**Internal audit requirement**

Petty cash payments were properly supported by receipts; all petty cash expenditure was approved and VAT appropriately accounted for.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

The council has no petty cash and the testing for this internal control objective is not applicable.

G. PAYROLL**Internal audit requirement**

Salaries to employees and allowances to members were paid in accordance with the authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I reviewed the figure included in box 4 (staff costs) on the Accounting Statements and was able to confirm from the accounting software that in accordance with the guidance contained in the Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's guide this includes only salary payments, HMRC payments and pension contributions.

CONCLUSION

I am satisfied this control objective has been met.

H. ASSETS AND INVESTMENTS**Internal audit requirement**

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the Accounting Statements and was able to trace the changes to the previous year's total against the asset register. I confirmed by sample testing of the invoices that items added during the year has been accurately recorded as the original net purchase price.

The council has no long-term investments.

The council has no borrowing through the PWLB.

CONCLUSION

I am satisfied this control objective has been met.

I. BANK AND CASH

Internal audit requirement

Periodic bank account reconciliations were properly carried out during the year.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

I reviewed the year-end bank reconciliation for all accounts and was able to confirm the balances on 31 March 2026 to the bank statements and found no errors. I was able to confirm the total bank balances to the figure included in the Accountings Statements on the AGAR.

CONCLUSION

I am satisfied this control objective has been met.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), supported by an adequate audit trail from underlying records and, where appropriate, debtors and creditors were properly recorded.

Audit findings

The council is reminded that at its meeting to sign the Annual Governance and Accountability Return (AGAR), it should complete the steps in the following order:

- **Review and consider the Annual Internal Audit Report**
- **Complete Section 1 – Annual Governance Statement**
- **Complete Section 2 – Accounting Statements**

Section 1 – Annual Governance Statement

Based on the internal audit findings, I recommend using the table below as the basis for that discussion.

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement to complete the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2024/25 and published on the council website.

The variance analysis has been completed and, in my opinion, provides sufficient financial and narrative information to explain the variances to the External Auditor

CONCLUSION

I am satisfied this control objective has been met.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in the previous year, it met the exemption criteria and correctly declared itself exempt.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

I am satisfied this control objective has been met.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority publishes information on a free to access website/webpage, up to date at the time of the internal audit in accordance with relevant legislation

Audit findings

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

- 13(1)** An authority must publish (which must include publication on that authority's website)
- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
 - (b) the Annual Governance Statement approved in accordance with regulation 6(3)

- 13(2)** Where documents are published under paragraph (1), the authority must
- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
 - (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGARs are available for review on the council website for the previous five financial years.

Confirm that the council is compliant with the relevant transparency code

For councils with a turnover over £25,000, it is recommended best practice to follow the Local Government Transparency Code 2015, but not a statutory requirement and therefore not subject to verification during the internal audit.

CONCLUSION

I am satisfied this control objective has been met.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority, during the previous year, correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2024/25 Actual	2025/26 Proposed
Date AGAR signed by council	16/04/25	11/05/26
Date inspection notice issued	30/05/25	02/06/26
Inspection period begins	03/06/25	03/06/26
Inspection period ends	14/07/25	14/07/26
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2024/25, and assertion 4 on the Annual Governance Statement can therefore be signed yes by the council.

I reviewed the proposed dates for the Exercise of Public Rights for the 2025/26 AGAR and confirm that these are in accordance with the requirements of the Accounts and Audit Regulations.

CONCLUSION

I am satisfied this control objective has been met.

N: PUBLICATION REQUIREMENTS**Internal audit requirement**

The authority complied with the publication requirements for the prior year AGAR.

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2025 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 - Annual Governance Statement 2024/25, approved and signed, page 4
- Section 2 - Accounting Statements 2024/25, approved and signed, page 5

Not later than 30 September 2025 authorities must publish:

- Notice of conclusion of audit
- Section 3 - External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

I am satisfied this control objective has been met.

O. DIGITAL AND DATA COMPLIANCE

Internal audit requirement

The authority has complied with laws, regulations and proper practices relating to digital and data compliance.

Audit findings

The Smaller Authorities Proper Practices Panel (SAPPP) Practitioner's Guide (March 2025) contains guidance on the new Governance Assertion included on the 2025/26 AGAR which relates to this internal control objective.

Website

I was able to confirm that the council website contains a Privacy Notice and a Website Accessibility Statement. The Website Accessibility Statement correctly references partial compliance with the Web Content Accessibility Guidelines (WCAG) 2.2 AA and was last updated in March 2026.

The council has an IT Policy in place which was last reviewed and approved by the council at the meeting held on 9th March 2026 (minute ref 13).

Email management and GDPR

It was noted the council has a generic email address on a domain owned by the council and has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council last completed a data audit on 13th April with minute ref 14, and I recommend the council ensures this is completed regularly to comply with GDPR regulations.

CONCLUSION

I am satisfied this control objective has been met.

P. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

Testing conducted at the interim audit and findings included in the interim audit report.

CONCLUSION

The council has no trusts and the testing for this internal control objective is not applicable.
